Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAY 20 10:28

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I use a natural hormonal
replacement prescription which my
Dr. has prescribed. I have been able
to order this with Madison Pharmaceuticals
and would hope to be able to continue as
this particular treatment has been
very effective.

Thank you for your consideration.
